

Dollar Parish Church

Dear Member,

You may well be aware that the Church of Scotland has reviewed the workload and distribution of its ministers.

This has led to the Presbytery of Stirling assessing that the Hillfoots churches – from Menstrie to Glendevon – will be allocated 2.5 ministerial positions to be shared across the Hillfoots.

Although it has been decided that there will be 2 ministers – how they will work has not yet been confirmed, for example, both ministers could work together across all congregations, or the congregations could be split into two groups with one minister allocated to each grouping.

The half time post does not need to be a minister, but could instead be a youth worker, administrator or any other specialism.

We have been asked to submit a response to this development next week and, to this end, we would like to hear any views or ideas you may have.

You can do this by contacting your elder or emailing

secretary@dollarparishchurch.org.uk or

sessionclerk@dollarparishchurch.org.uk

In addition, following the church service on Sunday 20th February, there will be an opportunity to ask questions and seek answers.

We apologise for the short notice but, as a congregation, we were only able to address this for the first time this week.

DPC Session 13/2/22
