**Dollar Parish Church**  
**Our 'Easter Journey' through Flowers**

**As you enter the church**

A simple cross stands as a stark reminder of the central part of the Easter story.

**Passing into our ante room**

In front of you one sees typical spring fields, celebrating the present beauty around us in Dollar.

**The windows on your right and left**

Represent Jesus's entrance into Jerusalem on Palm Sunday.

**Taking the left door through to the church**

**The first window on the left**

You see a display with Jesus sharing the Last supper with his disciples.

**The second window left**

Represents Peter's Betrayal - before the cockerel crows at dawn, he denies Jesus thrice.

**Moving forward to the pulpit.**

This display represents Jesus' arrest by the Roman guards. The silver coins represent Judas's payment for sharing knowledge of how they could capture Jesus. The dice were used by the guards to bet on which of them would win Jesus's clothes once he was stripped and hung on the cross.

**On the Altar**

This display incorporating a bible open at the book of John, is the basis of our Christian beliefs and reason we are so blessed.

**On the Font**

This represents the folded garments in the tomb and the lillies are the angels appearing to Mary.

**Travelling up the opposite side of the church**

The display on the left represents the cross on Calvary on which Jesus died.

**The last window left**

This is the closed tomb in which Jesus's body was laid.

**Leaving through the door**

You will see an arrangement of white lilies representing Jesus ascending into heaven.

We hope you enjoyed our floral Easter Story.

There are many interesting things to see in our church, the stained glass windows, the lantern suspended from the ceiling, the beautiful engraved screen dividing the rear of our main church, the wee carved angel behind the font. Each has a story to tell of their own and many more artifacts within the building including the church bell. There are booklets available telling all.
